RIVERSIDE ARTS MARKET TO CLOSE MARCH 14 AMID COVID-19 CONCERNS

At the Riverside Arts Market safety continues to be paramount. Throughout the past 11 years we have become the leader in our Industry, and with that leadership comes responsibility.

We value the health and welfare of our neighbors, customers, artists, makers, farmers, and producers. As we learn more about COVID - 19 we have taken into consideration how this could affect our makers and customers. With this in mind, we have made the decision to close the market effective tomorrow, March 14, 2020 and we anticipate the closure will last for at least three weeks.

We are advocates for small businesses, artists, makers, farmers. Our market serves as a vital economic outlet, community showcase of the arts and a community gathering for farmers, artists, makers, and customers alike. We will do everything we can to continue to support our partners and we are working now to determine how best to help them.

Safety is always our number one priority.
